

Screening of policies in accordance with Section 75 of the Northern Ireland Act 1998

Outcome of policies screened during the period: **July 2021 – September 2021**

The following policies have been screened under the Authorities equality procedures:

Policy Title	Policy Aim	Description	Screening Outcome
Acceptable Use of IT Policy <i>Revised Policy</i>	This policy aims to ensure that the Organisation is not exposed to legal and governance risks through the use of communication tools such as e-mail, internet, social media.	<p>This policy provides guidance on acceptable and unacceptable use of e-mail, internet, and social media in the workplace.</p> <p>The policy also sets out data security requirements for mobile devices to reduce the Organisation's risk of cyber-attacks.</p> <p>The policy is supported by training for all employees to raise awareness of cyber security risks.</p>	Screened out – without mitigation
CCTV Policy <i>New Policy</i>	This new policy was implemented as part of the Organisation's GDPR Accountability Framework and sets out the Organisation's commitment to respect the privacy of its employees, workers, customers, and	This policy is intended to inform employees of the Organisations use of their images recorded by CCTV and to assist staff in complying with their own legal obligations when working with personal data.	Screened out – without mitigation

	business partners in accordance with the Data Protection legislation.	A code of Practice supports this policy which further details the measures put in place to govern the collection, storing and requests for CCTV in the workplace in order to comply with the Data Protection Act and General Data Protection Regulation (UK-GDPR).
